

Statement on the origin of iron and steel products, in accordance to Regulation: (EU) 833/2014

Pursuant to Article 3g of Regulation (EU) 833/2014, it is prohibited to purchase iron and steel products listed in Annex XVII if they originate in Russia.

As of September 30th 2023, in accordance with Article 3g, paragraph 1 lit. d, this purchase and import prohibition has been extended now also applying to Annex XVII listed iron and steel products which were processed in a third country using iron and steel originating in Russia.

For the Annex XVII listed products with the following CN codes differing prohibition dates apply as follows:

- 7207 11: 1st April 2024
- 7207 12 10: 1st October 2024
- 7224 90: 1st October 2024

With this declaration, Kobold Messring GmbH confirms that in accordance with Regulation (EU) 833/2014, all Annex XVII listed iron and steel products used for the manufacture of our products, neither originate in Russia nor have been processed in a third country using Annex XVII listed iron or steel products originating in Russia.

The information contained herein is based on declarations obtained from our sub-suppliers and is correct and reliable to the best of our knowledge and belief at the time of publication. However, if this is not the case, we assume no liability for the accuracy and completeness of this information.
